

INSTRUCTION FOR USING PRESET BOUNDARIES

NEW!!! Search the MLS using the map above for homes for sale in the Santa Clarita Valley (or any other area of interest) by drawing your own boundaries.

TO DRAW YOUR OWN SEARCH BOUNDARY:

- click on “Draw Boundary” .
- Click on your starting point and each boundary point till you have completed the boundary.
- If you need to move the map or zoom in and out while drawing, simply move your cursor to the zoom area, click to where you wish to go, then move your cursor back to your map to continue your boundary line.

TO USE THE AVAILABLE PRESET BOUNDARIES:

- Click on City: then type in any of the following: Santa Clarita, Valencia, Canyon Country, Stevenson Ranch, Saugus, Newhall, Castaic, Saugus, Agua Dulce, Acton.

You do not need to use the backspace once you have begun to use the search – simply click on the search button again, select another area or renew your search completely to start again.

SEARCHING SPECIFIC NEIGHBORHOODS: If you wish to search specific Santa Clarita area neighborhoods in any of the cities, click on “neighborhoods” and start typing the name of any Santa Clarita Valley “city” and available neighborhoods will be presented to you to select.

SEARCHING BY ZIP: You can also search by zip and search by school district.

Login and register and YOU CAN SAVE YOUR SEARCHES and have new listings emailed to you as they appear in the MLS. You can also save FAVORITES and come back to review them at any time.
